

"LETTER OF RECOMMENDATION"

To Whom It May Concern:

Please allow this letter to serve as Carmel Contractors endorsement and acknowledgment of the accomplishments of Carolina Fire Control Inc. We've chosen to partner with Carolina Fire Control for many years on a wide range of project types and scopes in many different areas of the Southeastern United States. Carolina Fire Control has continually demonstrated their capabilities and willingness to go over and beyond what is the "norm" in our industry.

A relationship is built on trust, integrity and a lot of hard work. To this end let me say that we will continue to maintain the strong relationship we have with Carolina Fire Control and recommend them to others without hesitation.

If you have any questions or if I may be of assistance please call at your convenience.

Cordially,

A handwritten signature in black ink, appearing to read "Scott B. Tuttle", with a long horizontal flourish extending to the right.
